ELECTION COMMISSION OF INDIA

NirvachanSadan, Ashoka Road, New Delhi - 110001.

No.485/Comp/CSE/2018

Dated: 20.08.2019

DYEO (AP)
22/8/2019

To,

The Chief Electoral Officers of
all States & UTs except Haryana, Jharkhand & Maharashtra.

Dy. CEO (SI. BKS)

21/8

Sub: Elector Verification Programme -reg.

Sir,

I am directed to refer to D.O. letter number 485/Comp/CSC/2018 dated 8th August, 2019 of Dir.(IT)(copy enclosed) and various discussion held during various Video Conferences conducted by Sr.DEC Shri Sandeep Saxena and Dir(IT) Shri V.N. Shukla. In this connection, you are requested to kindly provide following details immediately :

- 1 Arrangements done at each ERO office for providing facilitation to electors for EVP programme
- 2 The arrangements with CSEs or equivalent units which access to ERO Net and National Electoral Roll data base.
- 3 The arrangements done for capturing part boundaries and GIS mapping creation.

Yours Sincerely,

(DILIP K. VARMA)
SECRETARY

Election Commission of India

D.O. No. 485/Comp/CSC/2018

Dated: 8th August, 2019

Respected Sirs & Madams

In continuation with my BO letter dated 8th April, 2019 in respect of engaging services of CSC, following activities may be immediately undertaken and the progress/ finalization may please be intimated to IT and ER division.

1. Agreement and NDA copy signed between CEOs and CSC. If not done till now, may please be expedited immediately.
2. The Nodal Officer for CSC be identified and assigned a role to monitor and educate B.L.S/ Assistant at central level about ER operation and EVP tasks expected from them to be done on National database through their secure login and OTP.
3. There are three ways of Notational data access through ERO Net login by CSC.
 - a. The Nodal Officer can be provided API and login credential using which he can create login facilities for field people/assistants.
 - b. If CSC has got front end software already developed to cover all activities expected to be done by them on ER operation and EVP related activities, then a single API can be given for connecting the software with central database through ERO Net. In this case it is to be ensured that in CSC software there is no provision for catching data for local storage by any means.
 - c. If such software is not available with CSC, login can be created on NVSP for each of the operators of CSC, the list of which will be authorized and provided by CEO to ECL.
4. The API service have already been prepared and are available, therefore as soon as suitable recommendations are received from CEOs, it can be provided immediately.
5. The testing is must.
6. For any clarification need Mr Suneet Bhatia, Project Lead can be contacted at 9868880421 and email suneetb@ecdc.in.

In case of CSCs are not existing in the State for some reason CEO refer to provide such services to citizen through other equivalent units such as e-mitra, e-seva Kendra or any other State level facilitation centres, the similar mechanism would be used.

With Personal Request

Yours sincerely,

(V.N. Shukla)

Chief Electoral Officer of
All States & UTs
(Except Haryana, Jharkhand and Maharashtra)
